MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

It seems that the congregation of the church had elected the right groups of church officers. The church attendance is very good for the month of January.

What the church of Hoonah need is more and more tendancy towards a better support of the church. Our people had not yet learned the meaning of organized church. Better interest is shown. We just hope and pray that the interest continues.

Plans are now being made for The World's Day of Prayer. The Women of the church along with women of the other local churches will sponsor the service.

The plans for the improvement of the Sunday School is now under way. We need one more SS teacher to complete the required number of teachers. Again, better interest is being shown here.

Soon we will make plans to paint the church, both exterior and the interior of it. We will have to plan to raise funds for paint.

A memorial service was held for our departed elderly member of the church last Saturday. He was an example of what a good Christian man ought to be during a respective lifetime on this earth.

We pray for God's blessing upon our work. We need the prayers of others.

MONTHLY REPORT, CONTINUED 4 (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The work of the church is going along very well. We have received several new members this winter. The change of church officers is the reason for the attraction. When people see the good works of the church members, it does serve to attract attention of the general public.

Several gifts had been given to the church. When we first arrived in Hoonah the was no Worship Center in the Sanctuary. Now we will have a full equipment after we dedicate what gifts we now have on hand. The elders of the church gave most of these gifts. We are happy and thank God for it.

Perhaps the members of the church is beginning to realize that we must give more to the church than we had been giving. It is still far from our expectation, but we feel that they are beginning to learn to give.

So far the members of the church and friends who worship with us has given $84.00 for the church paint. We are planning to raise at least $160.00 which we hope will be matched by the Board.

The Westminister Fellowship had raised some money for Scholorship for the delegate to the Rainbow Glacier Camp. We will aim to raise enough for three scholorships all told from this church. That means we will send three delegates on scholorship and the rest can be financed by their own parents.

There is still much to be done. We are not to be given credit fo any work done, but God who has power to change even the lives of men.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Time is going by very rapidly these days. Soon Easter will be here. March was a good month for church attendance, especially the first Sunday.

We now have $ 84.00 for the church paint. We hope that the Board will match it so we can go ahead and order the paint from Sears Roebuck and Co at Seattle. We will try and raise more if we can at a later date. But now we must have some paint on hand so that we can begin painting as soon as weather permits.

We held our dedication service on the second Sunday of the month. It is very heart warming to get such nice gifts from the Elders and members of the church.

Last year we got a start on the worship center. This year it had been improved. We hope to have the interior of the church painted this spring. If we can get enough help we may do some of the outside job.

I think a nice church building inspires people to worship better. We can worship in any kind of a building, but people like to worship in a good building better.

There is much to be done at all times. There is no special season for our work. Perhaps there are somethings undone, but it is not because we are not mindful of it.

Plans are now being made for the coming meeting of the Presbytery. Soon we will be electing the various delegates. The Missionary Society had raised money for the delegates already. The Per Capita Assessment also had been raised.

We are now looking foward to seeing all our Co-Workers and friends at the meeting of the Presbytery and the Presbyterial.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

April had been a very busy month. Preparation for Easter and then when Easter came to an other end for another year we had to go to the meeting of the Presbytery and Presbyterial.

The church attendance was very good. We held some extra services which was attended very well also.

The Adult Choir presented an Easter Cantata as usual. The Women of the church served luncheon to all of the 227 people that came to hea hear the Cantata. This was a time for Christian Fellowship. Many people expressed their appreciation besides congratulating the members of the Choir. We have a self supporting choir. They buy their own music for Christmas and Easter. They now have thirty two choir gowns which they paid for without having to fall back on the church treasurer.

Gradually the atmosphere is changing. We now have almost a complete worship center. ~~Impr~~* Improvement had been made here and there, especially since we came to Hoonah.

There is still plenty to be done on the church building. We have been encouraging the congregation of the church to improve on the building from time to time.

Before Evelyn and I leave for the General Assembly we will make final plans for the Summer Program of the boys and girls of the church.

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

In the month of May we went to attend the General Assembly. After the meeting of the General Assembly was over, we went to visit some of our Supporting Churches. It was a trip well worth while. Mrs. Johnson enjoyed the trip.

Our people are now seperated. Some of them are gone for the summer to Excursion Inlet and other places, so we had to discontinue the church activities for the summer as usual. They will be resumed in the month of September.

We had ten days of Vacation Church School. It ended on July, Ist. We had an enrollment of seventy three.

We will continue the Sunday Services and Sunday School during the month of July.

We hope to have our vacation as usual during the month of August.

We received our shippment of church paint recently. Weather permitting we will paint the church after the fishing season.

MONTHLY REPORT, ✓ CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The summer season is on and the people of the church as well as those who worship with us normally are now occupied with their summer's work and fishing.

The work of the church is very limited as the result of the seasonal work of our people.

We are going to spend some time in Excursion Inlet where some of our people are for the summer. August is our vacation month as usual but we will still have our Sunday services as usual when we are in Hoonah.

By the end of September our people will be coming back to Hoonah. This does not mean that that they will all be back by then. Some of the people will not return for the winter until about the end of October.

The fishing season had been the worst one in years.

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

We are delighted to report that we have had several people in our Church this summer, from the Western States. And now we are further blessed with Protestant Public School Teachers. They are a great help to our Church. One of them plays for our Church services and for the Choir.

Soon we will be painting the interior of our Church building. We are now adding on to our Church activities. During the month of October several activities will be added. Practically all of our Hoonah people had returned home once more. The fishing season upon which our people depend, had been a failure.

MONTHLY REPORT, ✓ CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Some changes are evident in the church attendance. For the first time since we came to Hoonah the school teachers are interested in coming to our church.

Most of them are Protestants while some are Presbyterians. Those who are Presbyterians have not yet indicated that they will join our church here but we have indicated that they are welcome at any time to worship with us.

After our people came back to Hoonah some have moved for a period of time. However we expect them back in the near future.

Our people are still a problem to us. We have much to teach them. Some are not too willing to be taught. There may be certain amount of pride and may be just simple negligence and lack of interest on their part.

We are glad however on the other hand. We have been able to reach those whom we thought real hard.

We will be adding more and more activities. As a rule our people do not actually get settled down for the winter until the latter part of November.

This year it is going to be a problem to meet the church budget but we are going to do all we can to meet it. The past fishing season had been the worst in the history of Alaska, that is in the Southeastern Alaska.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

This had been a somewhat a busy month for me. We had to go to Anchorage for the meeting of the Presbytery and then before I could get home I had to go on to Sitka for the Advisory Board meeting of the Sheldon Jackson School.

We are now in the midst of preparation for the Christmas Holiday. The Choir is now working on a Xmas Cantata and the Sunday School is going to give a program also.

We held a Thanksgiving Service on Thanksgiving Day. We had an attendance of sixty.

As of the latter part of November we have taken over the Boy Scout in the community. The Salvation Army had it when we came here, but they had been moved around so much they now feel that they are not able to take care of the Boy Scout work.

There is much to be done here. The church at Hoonah was organized in I88I so one would think that it would be a strong church both spiritually and physically. There had not been anyone here, at least that is the way it seems,I mean some one who was able to carry on work that is ordinarily required. I do not say that I am the one, but we are now trying to do just that type of work.

We pray for God's blessing on our work.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Another year had ended. Christmas is always a season of joy. We hardly notice the hard work that goes into it. This year it was as enjoyable as ever until Evelyn started out to the church to rehearse the Sunday School children for their comingChristmas program,and on the way she slipped on the walk and broke her wrist. She flew in to Juneau in the midst of all the rush but she made good connections all around and she returned the same afternoon.

The month of December had been a trying one for us. What with all the end of the year reports and the Church Budget and all the rush that goes with it.

It looks as though that we will come very close to meeting the church Budget. We may have fallen short,but it is better than we had hoped for. As you know the salmon run was very bad last summer. Money is scarce andhard to raise.

During the past year or so we lost two good Sunday School Teachers. This of course puts an extra load on Evelyn and I. And to make matters worse,one whom we had so much confidence in,and for that reason we elected him to the office of Clerk of the Session was given work,seven days a week,which meant that I had to do the work he might have done.

When one tells all about his hard work it gives the wrong impression some times.

We are trying to do all we can. We have had some very good moments,but we also had some that we are not too proud of.

We pray that the Lord may bless us in our work in the year 1961.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

January could well be called "Christian Education Month" in the Hydaburg Church. Certainly the Church is more aware than ever before of its program of Christian Education. Three of the Evening Services dwelled entirely upon the theme of Christian Education. And several week days and nights have been devoted to our Church school, through work projects and various teaching programs. And of course, all of this has happened through the leadership of Mayreld Swanson, as she has come to us for this month under the Lend-lease program of the Presbytery.

This has been a most helpful program to our Church work. Though the children have benefited most through a revitalized Church School program, very few of our members have escaped without some new thought on our whole Church program. The interest and enthusiasm shown, has been encouraging.

January has also brought new life to our Choir. Plans are set to do the Cantata, "The Seven Last Words," for Easter. Though the music has not yet arrived, just the promise of a challenging project by the Choir, has aroused new interest. The choir has also been singing for Sunday night services, which is a break from the old idea that they should sing only for special occasions. We are hoping for a profitable time with the choir in the coming months.

MONTHLY REPORT, CONTINUED M (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The choir has become our main feature in February, and should continue though March. We have found a loyal group working faithfully at rehearsals three times each week. It has brought some folks to Church more often in the last month than they had been previously in three Winters. The response from the men has been especially good... lots of basses, but few tenors! Thisis the hardest our choir has worked since our coming to Hydaburg.

The Church School has been working smoothly...even a month after Mayreld's departure. There has been some slight lagg in the teacher's preparedness; but we hope to prod them a bit at our next monthly meeting.

The Moyers took a much needed break in February with a short visit to Hollis and Ketchikan. It was most helpful to get away for a few days.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Another month of rain! It sure seems as though we are all over our average yearly fall of 150 inches already for this year! The sun shines so little that it seems so bright when it does make it.

March has been one of our busiest months to date with many choir rehearsals. The adult choir has been rehearsing three times per week. And the Junior choir has also been rehearsing three times. Both groups have responded well to the challenge of Easter music. We are planning to use the Jr. Choir for special music on Palm Sunday. The adults will be singing the Cantata, "The Seven Last Words," on Easter Sunday. Most members have been quite faithful through all rehearsals.

The community has been quiet. The men have been busy during this month rebuilding the Cannery warehouse, that burned last Summer. There really doesn't seem to be much future in rebuilding it, except that it is bringing the insurance money back into the Village. The cannery will not be running this Summer. The community is very reluctantly cooperating with Klawock, where the fish will be canned. This will mean idleness among the women folks, and a few of the men. But this probably will not make a great difference in the economy; for most of the money that the women earned was spent foolishly anyway. It will be the run of fish that makes or breaks the fisherman, regardless of where the fish are canned!

Jr. Hi Fellowship	25

The month of April was perhaps our busiest of the year with the many activities of Easter, pluse preparation for Presbytery. The choirs were especially helpful at this time, and produced their best effort in our three years here. Our adult choir travelled to Craig the week before Easter to share our Cantata with the folks there. We had a full house and a warm reception. Three of the local Seine boats provided transportation.

The Junior choir was especially interesting. Mary Ellen made this her special project.

All of the other services of the Easter were well received. Our people considered it a privilige to have Dr. Jackman in our pulpit for Easter Sunday morning. They appreciated his warmth and concern.

The month of May has brought the usual let-down in Church attendance, as the people get busy about the Summer's business of fishing. The School is over; the teachers have left. The cannery is not to be open this Summer. The local fish are to be canned at near-by Klawock. The folks are expecting for a quiet Summer, except perhaps, for the week-ends, when the fishing boats are in.

The preacher has spent much of this month in packing, and in getting everything squared away for the departure at the end of May. The details are cleared at the Palmer end of the line. And the details of packing and shipping have gone well. Considerable curiosity has shown up here concerning our new situation at Palmer.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

I arrived here from Barrow on the tenth of this month, made 4 calls that evening, getting introduced to fish eggs and seaweed, then taught Sunday School and preached the following day. I found the village about at the end of a very poor fishing season, with folks all concerned as they looked forward to the coming winter. I have been pleased to get as well aquainted as I have here in so short a time, even though most of the men went out the week I arrived, and didn't return until about a week ago.

I found the church with but one other Sunday School teacher besides myself, no choir or other organizations. Steps have been taken to start a choir with plans for a Christmas Contata, and our Sunday School program is fairly under way. We will plan to hold regular teachers meetings every 2 weeks. Since there has been no pressure on me for youth groups, I have let that ride until the men return, hoping to get husband and wife sponsors for 2 groups, Junior and Junior High ages. I believe that sponsorship other than myself is very important.

I was pleased for an opportunity to go to the school and talk there about Barrow to the 6th through 8th graders, especially since this is the group I have in S.S. I also have promised to show slides at church on a Wednesday night in the near future. Perhaps a Wednesday eve. Family night will later develop if such activity seems warranted.

A Communion Service and SessionMeeting is planned for Oct. 5, with Rev. Louis Grafton of Craig to come and officiate.

Of major concern to me at this present time is a reading and writing obligation to my own Presbytery, to which I have given considerable time, and will continue to do during the coming month until the assignment is complete. I am very pleased to be here at Hydaburg, for this opportunity to serve and live with these people. Time passes all too fast.

A note concerning the travel expense listed. According to agreement I have paid travel expenses from Barrow, however, it seems reasonable to request remuneration for travel from Ketchican to Hydaburg. OK

UNIT Deposit a/c: Fred Hauman

This month seems to have come and gone with the wind and rain, almost too soon. We've had a number of HARD storms this month.

We were pleased during the first week to have the Rev. L. F. Grafton, Moderator from Craig, come over and administer Holy Communion for us, and also to moderate our first Session meeting.

The following week, the Rev. W. M. Pritchard came and conducted a second Session meeting. This visit I felt was especially rewarding to me (though perhaps not to him) in that he was storm bound an extra day and we had a lot of good informal discussion, something I've missed for a long, long time.

During that same week one of our men went out alone in a fishing boat and was lost. Searchers have since given up, but no trace of him was ever found. He leaves a wife and six small children. I am sure that God has given her comfort and strength through prayer.

I have noticed here that church is about as well attended as movies. Attendance at both goes up and down, and the weather has its effects. Many I see in the movies, I've never seen in church, and vice versa. On Wednesday nights a volley ball recreation time is held for adults and there I've seen faces I haven't seen at the church or movies, younger faces perhaps under 25. Don't care about church and no money for movies maybe. Last Friday night an Alaska Native Brotherhood and Sisterhood meeting (with a political speech thrown in) was held, and better attended than any gathering I've seen here. It all tells me that...there's a lot of work to do. Lord help.

Session and Congregational meetings were held during the last of the month with Moderators appointed by the Session, since storm and transportation did not allow Mr. Grafton to be here with us. The purpose of these was to consider and approve our applications for National Missions aid.

I got a good portion of my Utah Presbytery assignment finished this month and sent in. The rest will have to wait until I return from Presbytery in Anchorage this November. Nevertheless it is a burden that must be given some priority.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

This month was packed with rain, wind, and activity, it seems. Elder Clarence Peele and I left ~~of~~ for the Joint-Presbytery meeting in Anchorage on the 5th, and returned on the 12th. During our absence the U.P.W.O. conducted Sunday Worship Services on the 6th. No count was taken, but "we had a pretty small ~~crowd~~ crowd." The death of Mrs Edna Jason occurred on Saturday, Nov. 5, and in our absence, Elder Powell Charles conducted the funeral service on the 9th.

On returning to Hydaburg, I met a new situation, or experience. Parents and relatives of the fisherman who was lost last month came from Massett, British Columbia to mourn his loss in Haida custom. It was a week of feasting, and I was included in most of it. There were always many speeches, mostly in Haida tongue, expressing thanks for the food, thanks to those who searched for the lost, thanks to God for the forgiveness of sin and salvation in Christ, and much more. A memorial servide was our climax, on Sunday which was also our Thanksgiving service. The widow, Romay Simms, is a nember of our church, but I do not find the name of her husband on the roll. She has since become very active in our church, singing in choir, and helping out in Sunday School, and seems to have adjusted well to the circumstance.

The choir has been practicing frequently in preparation for the contata, The Christmas Messiah. It is a dificult work, and progress is slow. The whole choir meets twice a week, and also sectional rehearsals are being conducted. I didn't know how to put all this into figures on the other side of this report.

The women's organization seems to be becoming quite active. I can't keep up with all their plans, but a rummage sale was held, other sales are planned to help out the budget of the church. Offerings have been low, as can be expected.

There seems to have been a quite a lot of flu, sore throats and colds in the village this month.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

December's really been busy, and what a conclusion. Watchnight services 11 o'clock until midnight. I was quite surprised at the congregation, I might be inclined to refer to as a motly crew, if I weren't afraid of being misunderstood. It was a combination of the most faithful, and some that never come at all. The "regulars" who make up the bulk of my congregation, were scarcely represented. I think they were all partying. At least two present in the service, I knew to be drunk. One had approached me earlier in the evening about wanting to join the church (he drew me aside at the town's New Years Party). "I believe in God a lot more than a lot of these goddamned hypocrits," he cried, "How could I hate him if I didn't believe in him?" He was dead serious. "I'm lost, I'm lost, and I don't know what to do about it." I let him pour himself out until someone came and "rescued" me. They didn't know that I'd rather listen to a drunk than watch a silly program. I made him promise to see me during the week when he was sober. Saw him today, but was working, said he'd come to me when he wasn't too busy. I hope so, but I'll get him eventually.

Of those that told me they were coming to that service and didn't show, one woman threw a knee out of joint. I learned about when her little girl came to Sunday School: "They sure made a lot of noise, they kept me awake until after lights out." The mother had to be flown into Ketchikan.

We had another leg injury incident earlier in the month, a little more involved than I care to talk about, but I feel that the Lord really answered prayer in that situation, and that a family relationship is going to be a whole lot stronger for it.

I feel that our whole Christmas week end was passed in a good spirit, with School Program, Christmas Contata, and regular Sunday Evening Service all well attended, and well received. I'm not aware of any unusual drinking or parties during that time. I wish I could feel that way about New Years. Sunday I had set up the Sunday School time to 1 o'clock, to allow for late sleepers, but still some of my teachers didn't show. Then it was very stormy that evening and only 28 were present. It really depressed me. I sure wished that the strong would have braved that storm as a witness to their beginning the year with God first. Well that's next month's report but I won't talk about it then.

Generally speaking I feel that our witness has been good the past month, and I do pray that my follow through this month, and those following will be meaningful and efectual.

MONTHLY REPORT, CONTINUED M (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

A helpful missionary program was held on Africa with the entire church taking various parts of the program. In my opinion it was the finest we have ever had the opportunity to sh-re in for the ongoing work of Christian Missions.

Men of the church have done a good piece of work in redecorating rooms which were badly worn. The estimate of this contributed job is $500.00

busy
This was an extremely/month for our church with Easter preparations, new membership contacts, baptisms (10), speaking in city wide observance of Good Friday, radio devotionals for the week, operating the manse without a mistress of said manse... and for the first time in my life a doctor's report on my cardiogram was to take it real easy this week May 2-7.

Funerals 4
Weddings 1

Preparations are under way for a well planned Vacation Bible School June 13-26.

Liquor continues to ravage not only families but individuals. In one case all last year we worked and prayed for the recovery of one alcoholic..this meant literally washing out his dwelling and cleaning dishes, dumping a hundred or so empty bottles and taking him to the hospital. He recovered enough to start attending our church for nearly a year. However, when he stopped coming and would not yield to the church's calling, I must say he literally died from an over dose of liquor. I had his funeral 27 May 1960.
My church is concerned.

The highlight of this month was the exceptionally fine staff of Bible School Teachers, under direction of Mayreld Swanson, who all joined in making this one of the finest such schools we have been privileged to give in this community.

We deeply regret the closing of Haines House and do trust that before too long an adjustment may be made to meet the needs that 'home' offered for less fortunate children. The case load is double what the local is able to handle (State Welfare Office.)

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

With renewed spirit we approach church services for the remaining year end of course into 1960 the Lord willing.
Our household is together in that during March, April, May then through June July and August, Mrs. Soboleff was in and out of the hospital and slowing gaining strength for the tasks of Christian service which ordinarly goes with being mistress of the Manse. Her return is a great encouragement in my regular and shall I say sacred call to be pastor in His Kingdom.

After continued study and prayer we met for an Officer's Retreat and Church Planning Session. The enclosed sheet will indicate our attempt at making this a worthwhile church just where we are.

I am delighted to report as of now continued progress and deepening of a real concern goes on for service in areas we have not considered previously. This will be marked red on the enclosed and green indicates this is going ahead now!

One of the best activities of this month was a union service of our three presbyterian churches in Memorial Church on the evening of 6 Nov The main attraction was"The Mark of the Hawk" the program was prededed by a program of wurship as indicated on the enclosed bulletin. We had standing room only and feel that we ought to plan such a worship program on a monthly basis.

AS EASY AS PI

Somewhere along the road to learning, every schoolboy is introduced to a mathematical value called Pi. Rebel he might, and usually does, against developing too close a friendship with this many-figure, decimal-pointed number—until he realizes that he can not determine either the area or circumference of any circle without it. Once he becomes aware of the need to know Pi, learning it is easy.

Like the mathematician's Pi, which represents three plus a number beyond the decimal point that goes on to infinity, God is three (Father, Son, Holy Spirit), and infinitely more. And without Him we can not properly determine the area and sweep of our own personal circles.

Most of us can get along well enough knowing Pi to four "places". But, though we can never know in this life all there is to know about God, we should never cease trying to learn all we can of Him in all places and times, unto the ends of the earth and until eternity.

Midweek Meditation

Dear Father, who hast hid Thy face from mortal man, help us to know Thee by steadfast worship; by searching the Scriptures, and speaking and listening to Thee in prayer and sermon—that thus knowing Thee we may ever love and serve Thee, through Jesus Christ, our Lord. Amen.

the MIDWEEK Call-to-Worship

THE PERFECT FOOD . . .

Milk has been called "the perfect food" because it contains all of the elements the body needs for good health.

So, as milk is to the body, the Holy Bible is to the soul. But just as milk is useless left standing in the glass or merely tasted with the tongue, so the Word of God can do us no good when read only with the eyes, heard only with the ears, or is not served at all.

COME TO CHURCH—TAKE THE HOLY SCRIPTURE UNTO YOUR HEART!

Memorial Presbyterian Church, November 1, 1960, Juneau, Alaska

NEWS AND ANNOUNCEMENTS:

The enclosed bulletin, used each Sunday, is enclosed to share with you a fair picture of what goes on in the church. Our Sunday evening service has been gaining in attendance and we feel that each member ought to make room on a periodic basis to come out and meet others who enjoy and find this service helpful.

In September your officers met for planning the various activities for the church season. It was believed that a schedule not too ambitious would better suit all families, rather than filling most every open night for a church doing we then made out one that would make for a more enjoyable church year and yet challenging spiritually. The following is a list of church activities:

Sunday: 9:45 A.M. Sunday School with a class for adults.
11:00 A.M. Divine Worship.
2:30 P.M Divine Worship with sermon in Tlingit.
7:30 P.M. Divine Worship includes a half hour of Hymns, special music with piano, organ and violin, Bill Nigh, song leader; either a guest speaker; showing of church film. Refreshments.

TUESDAY: 7:30 P.M. Session meeting 1st Tues of the month
Trustees meeting 2nd Tues of the month
Deacons meeting 3rd Tues of the month
Christian Ed Comm. 4th Tues of the month
Boy Scout Troop meeting each Tuesday

WEDNESDAY: 2:30 P.M. City and Federal Jail service.
7:30 P.M. Midweek fellowship in a different home each week.
8:00 P.M. Choir rehearsal.
6:00 P.M. Once a month church family and guests, pot-luck supper.

THURSDAY: 4:15 P.M. Junior Choir rehearsal.

FRIDAY: Women's Association 8:00 P.M. 1st Friday
Women's Association, Circles 3rd Friday

SUNDAY: Men's Fellowship, pot luck supper and meeting 3rd Sunday, 5:00 P.M.

We have need of singles or couples to lead two groups: Junior High and Senior Highs This is an urgent call!!! Register your response with Mrs. Betty Kester, Ch. of Christian Education Committee.

There is a thought of having a unit organized for the married folk, and your planning committee said, 'Give it further study' we have excellent literature on the programming for such a group.

Thanks to the Peck Family, especially Jr. for making out our directory.

The accounting through Maurice Nelson, Treasurer and the Trustees: As of Oct 31.

Receipts	$828.45
Paid	827.05
Balance on hand	$ 1.40

Next Sun. Nov 6th 7:30 P.M. we will be joined by members of the Northernlight and Auk Bay Community Presbyterian Church in seeing a technicolor film "The Mark of the Hawk" For Christians the world over the film is a rallying cry of brotherhood, and affirmation of the power of Christ's teachings to bring freedom to all peoples if we abide by them.

Narrative for January 1960

"God's Reluctant Missionary" would be a good title for me. I came back to Hydaburg with lead in my shoes but the story of my very happy experience here is told in brief in the attached news letter. It does not tell the whole story, of course. I will only add that nothing really momentous happened in Hydaburg - it only happened in me and I am grateful. In the quiet of this cozy little house just above the water's edge provided for me by the church God Has been very close and His peace that passes understanding is mine.

Paul and Mary Ellen Moyer did some good ground work in preparing the people to work with me so that I have full cooperation in the training sessions. It has been wonderful to see the fears of the teachers melt away as we have worked together, and delight and enthusiasm take its place as they have discovered the simplicity of various methods and the pleasure that is truly involved in teaching children. My! what devotion is really wrapped up in some of our teachers everywhere when they will persist in teaching in spite of the frustrations that make teaching so difficult for them. It has taken too long for me to fully appreciate the privilege that is mine in helping them, but it surely has "come through" to me here.

On January 24 we had our Family Night and a good turn out. During the program the teachers participated in presenting the curriculum and telling the parents about their work with the children. Six of our teachers here are Haida women. Most of them were quite nervous in making their little speeches since most had never made public speeches but their spiritual maturity and devotion to Christ was impressed upon us all. To me who knew them as little girls and young mothers 20 years ago, it was an evening that could only bring forth my personal response of thanks and praise to God.

The Statistical report for this month.

General Teachers meetings	2	8 teachers	
Planning Sessions with teachers by dep'ts	11		
Primary	3		
Kdg	3		
Junior	2		
Nursery	2		
Kdg.-Pri	1		
Planning with Supt	2

Jr.-Jr.Hi worship	2	1 Supt	6 childfenparticipating
Session meeting	1	3 present	
Work party	1	20 total present	
Womens Org.	1	1	20 present
Sunday Evening participating	4		

These include presentation of "what is Christian Ed" with officers and members taking part.

Family Night with curriculum presentation

Film "Fire Upon the Earth" with presentation of curriculum theme for year.

Presentation of needs of the Sunday School with membership responsibility to supply.

I have attended other meetings, Mariners, & hoir practices, etc. but not participated.

Narrative for February 1960

On my closing Sunday, Feb. 7, at Hydaburg, we had a dedication service for the Christian Education committee of three members, the Church School teachers and the parents. This was also "Open House" night when the parents visited the class rooms and the teachers told about their methods and activities with the children. I left my cozy little house by the sea and Hydaburg on the 9th. I stopped over in Ketchikan for two days and on to Petersburg.

Some old friends provided my room at the hotel during my stay there, as a gift to the church, as well as for my comfort. I stayed there only two weeks but got in three Sundays and four demonstrations. But this was only long enough to prove the need to stay longer. We had a wonderful time rearranging class rooms and schedules, and establishing team teaching. It is so much fun to do the demonstrations myself, to see the teachers carry out the processes in their Sunday sessions, and then find the delight the teachers experience when they discover the ~~sharing~~ suggested methods do indeed work.

	Hydaburg	6		1	

The closing events for my assignments are usually the evenings for the parents which we call Sunday School for parents. This includes a presentation of the curriculum in the classrooms by the teachers. We divide the groups, take about 10 minutes in each dept., and by having the teachers repeat their performance for each group all the parents present get a glimpse of every department, and class room. The evening is closed with a little skit, and the closing worship which the Juniors and Junior Highs do, using the service they had used in the Sunday a.m. S.S. session. This is one of the most pleasant evenings of the entire assignment.

Narrative for March 1960

Kake was a contrast to Hydaburg and Petersuburg and somewhat of a let down. But the first two assignments only emphasized the several years of a steady and trained ministry. Bob Simonds is working hard to do some basic and constructive work with the officers and teachers of his church and Sunday School and was beginning to win their confidence, ~~Kix~~ They have had a great deal of sickness in the family but I felt they were going ahead and had "their feet on the ground"and with some cooperation from his officers progress should be made. I had the age-oldproblem there of setting times for meetings and having no one show up. The "readiness" which is important to the success of my work was still a missing quanitity ~~kxkx~~ however, it was possible to set up a pattern for the Simonds and the Superintendent and two others who showed some interest.

I was disappointed to arrive in Juneau for some follow up work in the three churches and to give some help with their Vacation Church School program, and find very little set up. However, I did meet with the V.C.S. committee and have some meetings with the Christian Ed.Committee and teachers of the Memorial church.

I was much interested and surprised in January to learn I had been elected to the Session of the Klukwan church where I am still a member. So on Sunday March 27 I went to Haines and Klukwan and was installed. I hope to be of some help even though a traveling member.

Narrative Reprot for April 1960

The two weeks spent at Yakutat again made it very clear how much can be accomplished in a small amount of time when we have the program well organized and everyone cooperates. I had only two weeks here but teachers and session and minister and his wife all cooperated but still carried on their own work and schedule. Some very fine women came to each demonstration whether it concerned their own particular department or not. And what fun it was to help set up "class rooms" in a one room church! And to see them on my last of two Sundays there to function as such. Also team teaching in each graoup with exception of the Junior High class. With the aid of two newly built screens the Junior and the Primary classes were separated and situated on the platform. The kindergarten group uses the entire rear of the church, complete with their interest corners, rug and story center, and a work table with low benches both of kindergarten height. The Junior High are still naving to meet in the front pews. The three older classes have a joint worship but it is planned with the superintendent and the children participating as suggested in the curriculum. In the teaching sessions, voices are heard, certainly, over the screeens and curtains, but no one notices because good teaching is being done, and sessions well planned. The teachers are again very happy to be able to use the material as suggested and to have the help of the team teachers.

May 1960

I had made some plans with Mr. Koschmann and Reba McClure regarding giving two weeks in helping some teachers in a "new" Sunday School situation at Mt. Edgecumbe. The Director there had gone to the Campus asking for help and this was their suggestion. Since May was the only time I could have gone, with the plans for going to the Interior in the picture, this was reported to the Mt. Edgecumbe group but with graduation and spring coming up, this was a poor time for them so this cancelled me out.

I went up to Klukwan for my Presbytery report to the congregation. Also met and talked with two of the S.S. teachers there. While in Haines I conferred with the Haines House staff, Bill Wiley, the Hartmanns regarding our plans to have the orientation and training sessions for the young people coming in th help in our summer program. The church at Haines was to be responsible for housing and meals as agreed at the fall meeting of Presbytery. But I found the Community and members of the church much upset about the closing of Haines House and realized that this was not the place to bring our young people. Isabel Miller agreed with me - also Bill Pritchard and it was at Isabel's suggestion that we changed the place of meeting to the Juneau Memorial church.

Memorial church had at Vacation Church School Committee with whom I was able to work on housing and meals for their team. The Gelotte's offered their house for "sleeping" the entire group of 14 girls but fortunately the Paddocks, also members of Memorial offered their house for the Juneau team. The chairman of the committee called all the women of the church she could think of and they began brining in boxes and jars of staples for the team.

On my return from Haines to Juneau I participated in the Memorial report from Presbytery to the morning congregation.

This month was spent mostly in plans, correspondence about and preparation for the summer workers and their training - also participation in the Memorial V.C.S.

Narrative for June 1960

April

The end of ~~May~~ we thought we had things lined up and set for the Orientation and Training sessions for the summer workers but on my visit to Haines it was clear to me and to several others, that Haines was not the place to have our young people meet. So after consultation with Isabel Miller, Walter Soboleff, and Bill Pritchard it was decided to hold the five day training school here in Juneau. Isabel volunteered to handle the buying of food and directing the meal management and the school to be held at Memorial church. The enclosed schedule tells of the plans for orientation, as well as the workshops and demonstrations. It was, I feel, the best we have ever had. Having the children to work with and to present to the young people some demonstration teaching spoke volumes. We had the V.C.S. for Memorial church start with our Monday demonstration in the Junior department. We worked with Primary children on Tuesday and Kindergarten on Wed. The Team I for the Juneau church witnessed two demonstrations and carried on with their school from Wed. morning and on. The others saw the Kindergarten dem. also.

This is a very fine group and all but three have had some training or experience in teaching. They are a much quieter group than last year's but as dedicated and in their own way just as eager and enthusiastic. We had planned on 15, looking forward to the last day toward the possibility of having the extra boat but with the S.J.S.II out of the picture we gave up on the possibility of using any of the team embers and put four on three teams, which worked out fine for the Hydaburg Metlakatla, and Ketchikan churches.

Now that we are to have the Princeton-Hall we are bringing one member in from the Anna Jackman, and will take two girls out of the Juneau-Yakutat team for Hood Bay. We are all happy that we can get in to at least two of the canneries, Hood Bay in particular-this summer.

I made the trip with the A-J from Petersburg to Hydaburg and Edna Bay. In Deen Nelson's absence helped the boat team get off to a good start in the logging camp situation and what a terrific job of good teaching those girls did even in spite of the meager class room space. I treid to leave them on Tuesday to get back in to Hydaburg on my way back to Ketchikan and Juneau but was held up two days due to fog. Was much pleased when I did get to Hydaburg to find the women there doing a wonderful job of taking care of our team, who lived at the manse. This year they provided all the food bringing in food for breakfsts and lunches and having them in their homes for evening meals. If they could not have them in their homes the women sent up the entire meal - meat, vegetables, salad, dessert, drink and hot bread. Besides this the church provided all the Bible school materials. This is the best that Hydaburg has ever done, I believe. The team was having some discipline problems and some suggestions with regards planning and team teaching, I think, helped here.

The girls at Hoonah had a good deal of difficulty with discipline this year. It would have helped if I could have gone over with them - and this had been my suggestion to Arthur and also to Roland Rosson but it was thought it would be better if the Johnson's and the girls set up the school. If I had not been held up by fog two different times, I could have been there at least for the second week

Four of my days "on the field" the first week in June I took to make a trip with a friend to Lake Bennett on the ~~xxxxxx~~ Railroad- my first in the years I have lived in this area and then we did not get all the way there because that was the day ~~the~~ one of the cars took to jump the track. It did not affect the observation car in which we were riding but it managed to pull off and"dump" 3 other cars with it. So although were were about two miles from Lake Bennett I never did get there. The company had a "Casey" come and get us to take us back about 5 miles for our dinner. We returned to Skagway about 6:30 - 3 hours late but the Rossons had a good dinner waiting for us and I managed to get in a conference with Roland, too.

5/1960

Narrative for July 1960

It was decided to have Dick Stussi take the Princeton-Hall over to Chatham and Hood Bay for Bible Schools. Since the boat had not been in use for some time and had no equipment at all on board for Bible Schools it was necessary to gather as much in the way of supplies as possible, which meant taking as much as we would have for a full summer. I went with Dick to Chatham. Cathy Myers joined us over there. We had a good school for eight days with some 33 children. We were able to have two small cabins so the Kindergarten and Primary classes could meet in separate houses. Since the Junior children as well as Jnior Highs do the baby sitting for the mothers who work in the cannery - these two age-groups were combined and their class held on the boat in the evening. I taught the kindergarten and helped Dick Stussi with hand crafts in the evening group. We all helped with cooking and dishes.

Since surgery for the removal of some cysts from my throid glands was in the offing for me and it was possible for Billie Smith from S.J.S. to come over to relieve me as teacher as well as "chaperone", I left for Juneau July 18. Saw the doctor on Tuesday. Some lab. tests on Wednesday and entered the hospital Thursday evening. Surgery Friday morning and was out of hospital by Monday afternoon. Since my apartment was to be rented by Sunday July 31 and I was also planning to go on vacation as soon as possible in August it was necessary to pack up and move out. I was able to move over across the hall for the few days needed in August. I loaded my car with as many of my boxes as possible. Sent a trunk and barrel off to Haines via steamer. Then took two days to go over to Sitka to check on the young people who were busy with the work project on the campus and left again to take the ferry to Haines for my vacation and also as the point of departure for my winter in the Interior.

The team at Hood Bay had a very good school with 94 enrolled and 72 average daily attendance. The community hall was used for the sessions- a small building at the best. The Juniors and Primary children met in the morning. The Kindergarten in the same building in the afternoon. The Junior Highs met on the boat evenings. A good recreation program was conducted every afternoon making use of the "Park" which had been made ready and set apart for this use the summer before. All of the children remembered and asked about the Fairs who spent the summer at Hood Bay the previous summer. I hope we can get something under way for next summer in a chapel and one or two rooms for living quarters for our Angoon minister or for some full time summer workers such as the Fairs were in 1959.

We again had an outstanding group of young people this summer but strangely enough the three weakest members in experience and in spiritual maturity constituted one team- the team that went to Hoonah, Petersburg and Kake. I contacted the Nelsons and Ron Snelling about switching the boat team and Team I at Kake and thought the plan was set to go through. So did the two teams and evidently the Nelson's. I do not know yet what happened but the plan did not go through and this was unfortunate since Team I needed a brand new experience- not another village and a couple of the girls on the boat did want to teach in a village.

Narrative August 1960

I took two days the first week in August to go to Sitka to meet with the Summer Workers & ascertain that all was well with them. They were having a wonderful time. It was at this time we were able to catch the question & "mix-up" re: the transportation costs that had risen in some minds.

After returning to Juneau & finished packing & moving, loaded my car & left for Haines August 5 to start my vacation. While here entertained 27 the girls (Summer workers) for the first weekend and managed to squeeze in some visits with 2 others who stayed on as Camp Counselors. Had several visitors in two weeks so between these times, cutting down & burning brush on my small land tract & finishing repairs the two days passed swiftly but they were days of real pleasure & relaxation. On August 30 I left for Juneau & a fast trip to Seattle to see my mother in a nursing home & who is now quite feeble.

The car was brought to Haines for the beginning of my trip up the highway & my year in the Yukon Presbytery.

Narrative and Detailed Report September 1960

I left Haines for Anchorage Sept. 8. Stopped to store and repack my effects at Klukwan manse. Then left from there Friday . Stopped two nights on the way and arrived in Palmer in time for church. Visited with the Moyers and Klavers and made plans for my visit in their churches before going on to Anchorage on Tuesday. Was able to meet with the ministers of that area , help in a Church School preview of the curriculum and also attend one of Miss McClures meetings before leaving for Nome and Gambell on Monday the 19th.

While waiting on the weather in Gambell to allow transportation via Skin boat, I met with the teachers and superintendent, and showed the new curriculum film. Started out to Savoonga on Sunday morning the 25th but were forced to turn back due to rough seas so I got back in time to observe in the Sunday School.

On Tuesday we left Gambell again and arrived after a four hour trip which seemed to please and surprise folks as we were not expected until about 4:00 p.m.

The response on the part of everyone in both villages has been almost a pleasant surprise. The teachers come on time almost to the minute of the time set and they are very eager and grateful for the help given them. We can set just about any time of day or week and they are willing to come so I am to get through in both places earlier than planned originally. The folks at Gambell were carrying on the work in the Sunday school very nicely with the help given them by the French's before they left.

Narrative for November 1960

After a long ride by dog-team we arrived at Gambell at mid-night on November 2. The French's left for Anchorage Friday. I had my meeting with the Gambell teachers that night to plan my work with them for the time I would have in Gambell. If I could have arrived in Gambell on schedule -~~just~~ 7 days earlier- w eather permitting, it would have been pos sible for me to have done the same amount of work and t en to have left for the meeting of Presbytery.

The people in Savoonga spoke often and with real affection of Alice Green and of Louise Avery and in both Savoonga and in Gambell of Ann Bannan. Also in Gambell of Elmer and Clara Parker. It surely took the grace of God and real love and devotion for Him for Ann and Alice to stay as long as 12 and 8 years in these places but they and all of the others surely showed forth the real Spirit of Christ and their influence is still being felt there in those little villages. I am grateful for the privilege of walking for just a few weeks where they walked and gave of their lives. If it takes "people - more specifically women - dubbed by some as "eccentrics" ~~xxxxxxxxxx~~ to leave such definite marks of influence in these isolated fields- then may God send us more "eccentrics".

5/1960

Narrative for December 1960

This w a s a difficult month to attempt a complete shift in curriculum, teaching methods and class rooms. But that is what we did at Palmer. I could manage only one demonstration for each department and one planning session with each group of teachers and it is amazing that we accomplished so much but we did. Paul Moyer had his Session, Christian Ed. Committee and his teachers ready and there was a genuine willingness and readiness on the part of everyone -- well, maybe 98 percent- to go a long with the Faith and Life curriculum and the changes needed. So December was a month of challenge and excitement. The stability of the community of Palmer is apparent in the church and Sunday School. The high spiritual interest and concern on the part of the parents and teachers made this change possible. A"radical" change that went off smoothly. It meant departmentalizing for the Juniors and Junior Highs. These boys and girls had been meeting in 6 separate groups. The adults, Senior Highs and these six other classes had a joint "opening" exercises which lasted from 20 to 30 minutes. We recommended that the adults meet for the entire hour at the manse; the Senior Highs to go directly to their room for an hour of Bible study; the Junior Highs to join together -in one room for their study until the class builds up again and if they must later divide the group to determine the division by grades and not by sexes. The same was recommended for the Juniors and everyone agreed. The Primary department was moved downstairs into the Fellowship Hall. The Kindergarten and Primary departments to be separated by some well built screens and cupboards. The Juniors were moved from their several class rooms into the large space and rooms heretofore used by the Primary children. Juniors and Junior Highs to have a joint worship planned by a "Worship Committee" under the direction of a Worship leader.
They have some excellent teachers there so there was a minimum of confusion in the "switching" of rooms, methods, and procedures. They now have three vacant rooms formerly used- the Pastor's study, the kitchen, and a dark, shabby room that should not be used.

Statistical Report

Mariners	1			10
Junior Church(Christmas morning)		3	50	
Session meeting	1			5
Trustees	1			6
Building Committee	1			5
Christian Ed.Committee	1			7

Other meetings attended but not participated in- Family night, Christmas program, Choir, Christmas Eve, New Years Eve, regular church services. I am to go back to Palmer during this present month(January) to help with the Sunday School for Parents night and another teacher meeting. I will try to get out there whenever possible to help with any problmes that come up but they are a very capable as well as a dedicated group of church officers and teachers so I am confident that they will carry on very well. Also Paul Moyer is good a doing follow up work so the work out there should see some good results.

INTER-OFFICE CORRESPONDENCE

BOARD OF NATIONAL MISSIONS

TO The Rev. Wm. M. Pritchard, Juneau, Alaska
FROM Dept. of Work in Alaska DATE 1/28/60
RE: November 1959 air travel card charge - tickets #2 580 566-567 for $123.20

The January 1960 Airlines Statement has come through our Treasury for payment. Your November 1959 flight Hydaburg-Craig-Annette-Juneau tickets, mentioned above, was on the list in the amount of $123.20. Your yellow memo with ticket attached indicated that you had used only one portion of this three-section ticket in the amount of $29.70 - Ketchikan to Annette $6.60; Craig to Annette $23.10.

Therefore, it will be necessary for you to return the two unused tickets attached to the December 1959 memo you sent our office either for cancellation or for credit of the difference or $93.50. Any unused tickets must be returned by you to the proper office for credit or cancellation, so we will be charged on the statements only for actual flights.

We have sent our Treasury a memo to the effect that either a credit of $93.50 will appear on the February statement for this November 1959 flight or only a charge of $29.70 for payment.

Best wishes.

Dept. of Work in Alaska
FK per Frieda Koerner

Att.: Coupon 0264-2 580 566-567 plus ticket 2 on 567 and 3 on 566.

Rec'd office 2/3/60
with #2 and #3 portions of
ticket 2580567 and 566
for $123.20
FK.

Miss Koerner:

On my December 1959 report as I remember returned the endorsed 2 unused coupons for $29.70 refund & filled out a sectional cancellation for same.

But did not attach the coupons right.

Hope this is OK.

I have made out OK now?

OK

/s/ Bill

Dr. J. - for all memos + Tickets to Pritchard
3/10/60

INTER-OFFICE CORRESPONDENCE

BOARD OF NATIONAL MISSIONS

TO Dr. Jackman in Seattle
FROM F. Koerner DATE 2/18/60
RE: Mr. Pritchard's passenger coupon 2580566 and 567) all attached to orig.
plus tickets #2 on 567 and #3 on 566) memo for Dr. J.

3/24/60 Credit slip - 29.70 Coupon re ~~9-12-59~~ 12-19-59 to Ketchikan 1/30-60 R)

Dr. Jackman, will you please confer with Mr. Pritchard re: these coupons and tickets, etc. so we'll have it straightened out by the next Airlines statement for payment?

Need a passenger coupon for $29.70 re: Ketchikan-Annette-Craig-Annette portion used per his memos of 12/19/59 and 1/30-60 which are both cancellations instead of charges.

Then we need a credit for $93.50 the unused portion of these same tickets per his charge slip of 10-28-60 for $123.20 less the $29.70 used leaving the $93.50. The tickets are also attached for this portion of the trip ~~are also attached~~ re: #2 of 2580567 and #3 of 2580566. Our Treasury will not accept these tickets - we must have passenger coupons after all tickets have been used or cancelled.

Therefore, this total of $123.20 will keep appearing on the statement until we have a coupon for the $29.70 and a credit for the balance of $93.50.

PLEASE straighten out my thinking too if I'm wrong on this.

Copies of all memos attached too for Mr. Pritchard if needed.

Frieda Koerner

The Rev. Wm. M. Pritchard, Juneau, Alaska
Dept. of Work in Alaska 1/28/60
